

If you are already logged into Storypark follow the steps in the boxes. If you are new to Storypark check your email Inbox for an invite. If you can't see it, check your clutter or junk box. Follow the directions of the email. As there are over 600 teachers to invite please check your email Inbox and/or Storypark home page regularly.

1. Already on Storypark, your duck's speech bubble will come up red. Click on the duck and you will see a notification from Tania Jack. Click on this and the link will open the Teachers Toolbox

2. Click on the Planning tab, then click on any of the labelled plans to access the resources

The open plans are still under development, some are waiting for resources to be loaded, others already have information in them. As this is a new system please let me know how it is working for you by emailing;
Tania.jack@wmkindergartens.org.nz
